

My name is Benjamin Morrow, and I am the Director of Titans Gymnastics. Over the past two years, I've had the privilege of contributing to the committee by managing the website and social media, helping to keep our gymnastics community informed and connected.

My passion for gymnastics runs deep — I was a gymnast for eight years before transitioning into coaching, a role I've now held for over ten years. This experience has given me a well-rounded perspective on the sport, from both the athlete's and coach's viewpoints, and I'm eager to keep using that knowledge to support and grow gymnastics in our state.

I would be honored to continue working alongside you and the rest of the committee to serve our athletes, coaches, and clubs.

Thank you for your consideration!
